#### Safe Harbor Statement

Information, statements and projections contained in these presentation slides and related conference call concerning Fortinet's business outlook and momentum, the Q1 and 2013 guidance, and future prospects and expectations are forward-looking statements that involve a number of uncertainties and risks. Actual results could differ materially from those projected in the forward-looking statements as a result of certain factors, including, among others: general economic risks; specific economic risks in different geographies and among different customer segments; uncertainty regarding demand for our products and services; uncertainty regarding increased business and renewals from existing customers; changes in our relationships with distributors, resellers and other partners; changes in overall technology spending and in spending on network security; contractual terms and other factors that may result in the deferral of revenue; the timing of orders and their fulfillment; manufacturing, inventory and supply chain constraints and timing; uncertainties around continued success in sales growth and market share gains; delays in scheduled product availability; risks associated with successful implementation of multiple integrated software products and other product functionality risks; execution risks around new product introductions and innovation; product defects, returns and vulnerabilities; the ability to attract and retain personnel; changes in strategy; risks associated with management of growth; lengthy sales and implementation cycles, particularly in larger organizations; technological changes that make our products and services less competitive; risks associated with the adoption of, and demand for, the UTM model; mergers and acquisitions and the ability to successfully acquire, integrate and manage businesses and technologies; litigation and disputes and the potential cost, distraction and damage to sales and reputation caused thereby; risks posed by competitors; current laws, regulations and standards, and the adoption of new laws, regulations and standards that affect our product, services or business; and the other risk factors set forth from time to time in our filings with the SEC. Please refer to our SEC filings, in particular, the risk factors described in our Forms 10-K and 10-Q for more information on these risks and uncertainties and on the limitations that apply to our forward-looking statements. Copies of our SEC reports can be obtained from the SEC, at the SEC's website located at www.sec.gov,or by visiting the investor relations section of our website. All forward-looking statements reflect our opinions only as of the date of the conference call related to this presentation, and we undertake no obligation, and specifically disclaim any obligation, to revise or publicly release the results of any revision of these forward-looking statements in light of new information or future events.
